MAGIC POTION

CREATIVE WRITING *activity*

BRAINSTORM: Imagine that there is a magic potion. Answer the questions below about the magic potion. The more detailed you are with your brainstorm, the easier it will be to respond to the writing prompt.

WHAT ARE ITS POWERS? Remember, this is a magic potion, so be imaginative.	
WHAT HAPPENS WHEN SOMEONE DRINKS IT? Describe the changes that happen. Note how the person feels. Be descriptive.	
WHAT ARE THE INGREDIENTS? Think about what items in the world would help the potion work its magic.	
WHO CREATED IT? Think about who created it and why he or she made the potion.	
WHAT IS IT CALLED? Maybe it's a nonsense word, or something dangerous, or faniciful.	

WRITE A STORY: Now, write a story about the potion getting in the “wrong” hands. The “wrong” hands might belong to an evil villain, or an innocent stranger, or a mad scientist, or anyone that the potion is not intended to help. In your story, include background information about the potion (from your brainstorm). Make your story fun to read!
